

Second Workshop of DAAD Thematic Network “Modern Geodetic Space Techniques for Global Change Monitoring”

23–28 July 2018

Meeting venue

University of Luxembourg, Luxembourg

Monday and Tuesday, July 23rd – 24th 2018, Locations:

9:00–17:00	Arrival and Registration
-------------------	--------------------------

Wednesday, July 25th 2018, Location:

9:00–9:30	Welcome and introduction Greeting from University of Luxembourg Greeting from University of Stuttgart Status of DAAD Program
9:30–10:30	Satellite Altimetry
10:30–11:00	Coffee break
11:00–12:30	Positioning, Navigation & Reference Systems
12:30–13:30	Lunch break
13:30–15:00	Gravimetry & Enabling technologies
15:00–15:30	Coffee break
15:30–17:00	Remote Sensing and Photogrammetry
18:00	Joint dinner

Thursday, July 26th 2018, Location:

9:00–10:30	Applications for Global Change Monitoring
10:30–11:00	Coffee break

11:00–12:30	Gravity field modelling and Height System
12:30–13:30	Lunch break
13:30–15:00	Session to be decided
15:00–15:30	Coffee break
15:30–17:00	Session to be decided
18:00	

Friday, July 27th 2018, Location:

09:30–12:30	Poster Session
--------------------	-----------------------

Saturday, July 28th 2018, Location: Vianden Castle

10:00–17:00	Social Event: Excursion to Vianden Castel
	Departure
