

# First Network Meeting of DAAD Thematic Network “Modern Geodetic Space Techniques for Global Change Monitoring” (Project ID: 57173947)

**19<sup>th</sup> November 2015**

**Meeting locality:** University of Stuttgart, Geschwister-Scholl-Str. 24D, 70174 Stuttgart,  
Casino seminar room (first floor)

09:00	<b>Welcoming and introduction of the participants</b> Prof. Dr.-Ing. Nico Sneeuw, Institute of Geodesy, University of Stuttgart
09:15	<b>Greeting from University of Stuttgart</b> Dr. Heiko Richter, Director, International Affairs, University of Stuttgart
09:30	<b>Greeting from Faculty of Aerospace Engineering &amp; Geodesy</b> Prof. Dr.-Ing. Volker Schwieger, Vice Dean, Faculty of Aerospace Engineering & Geodesy, University of Stuttgart
09:45	<b>Partner presentation of Wuhan University</b> Prof. Dr. Weiping JIANG
10:00	<b>Partner presentation of Chinese Academy of Surveying and Mapping</b> Ms. Yi ZANG, Chinese Academy of Surveying and Mapping (CASM)
10:15	<b>Partner presentation of Tongji University</b> Prof. Dr. Jiexian WANG, College of Surveying and Geoinformatics
10:30	<b>Partner presentation of University of Luxembourg</b> Prof. Tonie van Dam, Geophysics Laboratory
10:45	<b>Partner presentation of Austrian Academy of Science</b> Dr. Oliver Baur, Austrian Academy of Science (AAS)
11:00	<b>Coffee break</b>
11:30	<b>Partner presentation</b> apl. Prof. Dr.-Ing. Norbert Haala, Institute for Photogrammetry, University of Stuttgart
11:45	<b>Partner presentation</b> Prof. Dr.-Ing. András Bárdossy, Institute for Modelling Hydraulic and Environmental Systems, University of Stuttgart
12:00	<b>Partner presentation</b> Prof. Dr.-Ing. Alfred Kleusberg, Institute of Navigation, University of Stuttgart
12:15	<b>Partner presentation</b> Prof. Dr.-Ing. Stefanos Fasoulas, Institute of Space Systems, University of Stuttgart
12:30	<b>Partner presentation</b> Prof. Dr.-Ing. Volker Schwieger, Institute of Engineering Geodesy, University of Stuttgart
12:45	<b>Partner presentation of German Geodetic Research Institute</b> Prof. Dr.-Ing. Florian Seitz, German Geodetic Research Institute, Technical University Munich (DGFI-TUM)

13:00	<b>Lunch break</b>
14:00	<b>Greeting and introduction of DAAD Program Strategic Partnerships and Thematic Networks</b> Karin Heistermann, Senior Desk Officer, German Academic Exchange Service (DAAD) and/or Helen Schomer, Program Administrator, DAAD
14:30	<b>Status and further activities of DAAD Thematic Network</b> Prof. Nico Sneeuw
15:00	<b>To-do-List (Events in 2015 and 2016)</b> Dr.-Ing. Jianqing Cai
15:30	<b>Coffee break</b>
16:00	<b>Discussion</b> <ul style="list-style-type: none"> <li>- <b>Workshop/Summer School in 2016</b></li> <li>- <b>Joint visiting plan (May 2016) of DAAD TN Delegation from European partners and presentation issues</b></li> </ul>
16:30	<b>Further questions, requests and exchanges</b>
17:00	<b>Adjourn</b>
18:00	<b>Joint Dinner</b>
